

UPDATE ON EA (5K) ISSUE

We are receiving apprehension about EA & SEA Merger from EAs working in 5000-8000 scale. We acknowledge the concerns of our Member working in Rs. 5000-8000 Scale. EA(5K) issue is delayed because of Gwalior issue which was filed by Two Individuals. Rather we are spending a good amount of money for the cause. We are ready to do everything. Our Stand is clear that All EAs up to the 5th Oct 2007 should be granted the pre revised scale of Rs. 6500-10500 which will solve the problem.

A letter to CEO Prasar Bharati is submitted on 29th Aug 2013 for raising our concern.
