Ref. No. ARTEE/Election-2019/11

Date 06/12/2019

Dear ARTEE members and contestants,

There has been discussions about the decision to change the date of counting from **30/12/19 to 29/12/19**.

(1). We are facing problem to get office space for counting purpose on 30/12/2019 due to working day which was not expected earlier.

(2). Because of generousness of office we may be allotted office space for the purpose of counting otherwise may be refused on the basis of No Recognition.

(3). As per past elections experience that defeated candidates tried to create condition of chaos & unrest. It will not be a good thing for the future of Organization if any of the happening takes place.

Election team is trying it's best to conclude election process smoothly and expect cooperation from all.

It has been already discussed with some contestants and decided to take decision of doing counting to **29/12/2019**.
