

## **Important Instructions for not Sending Ballots till Next Instructions**

**Dear Members,**

**Due to the unprecedented scenario created by the Resignation of Returning Officer and Election Team, I request all members not to dispatch ballots till next instructions from Central Office.**

**We are trying to handle the situation and it may take few days. We are requesting Returning Officer also to rethink about his Resignation.**

**I am trying to make alternate arrangements for the ballots in transit. This is very crucial time and we must not give any opportunity to our enemies.**

**I am sure that, ARTEE shall come over the present crisis with flying colors.**
