Dear Members & Friends,

Namaskar & Best Wishes to one and all

We are successful in solving and achieving many of our demands and welfare facilities because we fought and bargained collectively. Today we are lacking the wanted UNITY and are divided. These days we have serious challenges like threat to our Jobs, Salary, Pension Etc. Now we need absolute UNITY. So let us try to make efforts to UNITE all.

UNITE BEFORE WE REGRET.

With this theme let us make the STATE CONVENTION successful.

Appeal to DMC Coordinators, Unit Secretaries, All members & Sr. Leaders ;

*To host this convention we need your support in the form of Contributing Funds, Participation and mobilizing many by bringing awareness among colleagues of the dangerous situation ahead of us. Let us try to make efforts to ensure **JOB SECURITY, WELFARE & SOLVE ALL PENDING PROBLEMS***
