You asked to meet after few days when you take update on the issue from concerned officers. We deferred to meet you considering your extremely busy schedule in handling SriNagar Flood Crisis. Pl. note that in DD it has been a tradition that transfer lists of AEs who complete Tenure at difficult stations is always released before or on completion of Tenure. It has been a unique and unprecedented situation when many A.E.s. completed their Tenure at difficult stations. Many of these are going to complete double of the tenure. It is highly unjustifiable and never happened in Doordarshan. The last list was released in Feb 2014 and In the month of July when erstwhile DG DD was going to leave the office he cleared a small list on our persuasion.

Many of these who have completed tenures at difficults stations and waiting to come back at the time of educational sessions are suffering. Similarly staff members who had to go to replace them are also waiting. The staff who due to their personal genuine problems is unable to join at their place of posting in last list and waiting for consideration of their representations since thay are relived and are without salary.

We could not find any justification for delay in this transfer list because lists in other cadres like ADE, DDE, DDG were also stuck up but released. It is like discriminating employees of AE cadre without no fault of their's. As per information a list (Most of them of difficult stations) sent to your kind approval by E.in.C.(DD).

*As per our information the lists is delayed a committee which itself is derogatory as there is no provision of any such committee in our transfer policy. If any of such committee is to be formed it should be uniform for all cadres including Program Side. We strongly oppose formation of any such committee.*

Your high office is requested to release the list within a weeks time failing which we have no option except to show our resentment through democratic peaceful Agitaional Steps. Agitation may be intensified further if demand is not met.

Yours faithfully,

  
Umesh Chandra, 14/9/14
