

April 17 2014

Email reply received from Sh. Jawhar Sircar, CEO on abolition of Posts.

Sub: Operational Posts

Dear Umesh,

Adviser (Technical) and Principal Adviser (P&A) will jointly discuss this issue and seek immediate clarification from the Ministry.

It would be our good fortune that operational posts can be saved from abolition. But we have been told categorically that later orders of Finance and DoPT make it abundantly clear earlier orders stands superseded and that posts which are not filled within a year or are not revalidated shall lapse automatically. Therefore we had to seek denovo creation of 3542 posts.

In any case

,
Brig. Hussain and Adviser(Tech) will consult Establishment Section of PB and AIR and surely make a reference to MIB.

Regards,
Jawhar Sircar
