Subject:- Regarding Overstay Of Assistant Engineers at difficult station due to Delay in releasing transfer list since 28/02/2014.

Sir,

With warm regards I would like to inform you that the Assistant Engineers in Doordarshan are serving at most difficult station /HPT/DMC. The tenure at these stations is very well defined (as per Govt. Rules) one yr./two yr. station but after completing the tenure at these station these employees have not been transferred back since February 2014 (last transfer list) as a result these assistant engineers are feeling difficulty as they are serving far away from their families.

Their families life as well as mental peace is disturbed. As a human being every employee has a right to come back at normal station after completing the tenure this will happen when transfer list is released at regular intervals keeping in mind the welfare of both employee & office.

Hence it is requested to kindly release the transfer list of Assistant Engineers at the earliest so that employee who have already completed more time than the defined tenure can get relief.

Thanking you

Yours faithfully
