

Prasar Bharati Board Approves three Core Issues in its Meeting held on 08/07/2014

Another success of the Central Office ARTEE

As per the Message Received from Prasar Bharati, in the Yesterday's (08-07-2014) Meeting of Prasar Bharati Board, the three core issues of Sub ordinate Engg. Employees, ACP Patna, One Cadre One Pay and the Pay Parity of Technicians with Lighting Assistants got the nod of Prasar Bharati.

The Minutes of the Meeting with CEO with A.R.T.E.E. Dated 22/4/2014 approved by the Prasar Bharati Board.

Kudos to the all our members for the Unity of ARTE E. I have been saying that things are in the right direction and it is not possible to disclose everything at a premature stage. This is our answer to people who always think negative and trying to question the functioning of Central Office and also to the people who were terming ARTEE meeting with CEO dated 22/04/2014 as no achievement.

The ACP PATNA Proposal is in Prasar Bharati and the One Cadre One Pay proposal is put up in DG(AIR) and Tech vs LA proposal is being scrutinized and will be put up very soon.

Our efforts shall be for sending it to Hon'ble Ministry I&B as quickly as possible and pursue the issues there very strongly.

ARTEE Central office conveys its gratitude to our Respected CEO and Principle Advisor (PA) to take up this in Board in the last moment on 07/07/2014 at 17:30 when the President met him.

Unity can cross mountains and we have done it and shall continue to do it with full dedication.

**Umesh Chandra,
President, ARTEE**
