

Update on Recent developments on MACP

As Members are worried due to the recent uproar about the communications between Hon'ble Ministry and Prasar Bharati about MACP. The Central office has taken the issue on top priority. Prasar Bharati has already written to the Hon'ble Ministry of I&B with full justification. We have already provided input for the same. On the basis of this letter, Prasar Bharati has issued a letter, dated 29-10-2014, withdrawing the Prasar Bhsarati Sectt's letter dated 07/09-10-2014 and to stop operation of the decision contained in MIB's letter dated 08.09.2014 by all the PAO's till specific orders are issued by Prasar Bharati on this issue. It is a matter of satisfaction. The matter shall be pursued further in the Hon'ble Ministry of I & B.
