Respected Sir,

With warm regards, through this letter we want to raise two quarter related problem staff which are very relevant and if these are solved staff will be more motivated to go on transfer.

[1]. Allotment of Quarters to DD Staff in AIR Colonies and vice versa : We are aware that in our AIR and DD Colonies staff quarters are laying vacant while staff is compelled to pay live in Rented house out side. DC has issued an order no. 16/1/2001-A&G Dated 19/10/2001 (copy enclosed) which allows to allot vacant quarters to DD Staff.

We request your high office to issue such order for AIR and DD both in case of vacant quarters.

[2]. Retention of Staff Qtrs. on transfer :

This is a very common problem. In growing age when an employee is full of responsibilities and liability is very difficult for him to shift his family at the place of posting. This fact makes him less interested in going on transfer. For Postings in Areas like Jammu & Kashmir and North East Region, staff Member can retain a quarter. Prasar Bharati issued an order No. 16/78/2001-A&G, Dated 28.06.2011 in this regard (copy enclosed). This is a very good facility but it also creates a pressure and most of the staff wants to go on postings in Stations falling in these regions.

As we are aware that due to acute staff shortage many of the staff quarters in AIR and DD Colonies are laying vacant and in the absence of any taker, condition of these Quarters is deteriorating day by day. **We request that Prasar Bharati can take a decision that these quarters may be retained by staff on transfer to any station, if vacant.** If such decision is taken staff will be more motivated to go on transfer. It will help in maintaining these quarters and department will get revenue also as license fee.

We request your high office to consider these issues and take positive decision.

Thanking You,
Yours faithfully,
