Respected Sir,

I hereby want to bring your attention about Nominations by this Association in Special Groups.

Pl. note that this Association was the first and very prompt in responding your call. We have also extended our unconditional support for PB initiative and we are committed to do so in future also for any good decision PB takes.

But we are disappointed that only two out of three Nominations done by this Association are approved by PB. If at all PB was having such thing in mind than we should have been asked to nominate accordingly. This is embarrassing.

Considering our Membership which is around 40% of total strength of all Recognized Associations we have more Members belonging to all three categories also i.e. SC-ST, Women and Minorities.

Thanks and regards.
