

Another Derogatory Order.... Another Strong Resentment.... ... & ... Another Withdrawal.

In CPC Delhi there was a small issue of Medical Bills. When Staff went to discuss the issue, the Station Head became furious and had a heated exchange with the staff. He even threatened to suspend the staff. But ultimately the issue was settled and Station Head also conveyed. The issue was over, but the officer gave a complaint in writing. DG DD on the complaint asked E.in.C.(DD) to take action and E.in.C.(DD) ordered ADG(E) NZ to constitute an inquiry . We were monitoring it regularly. The inquiry committee also recommended not to take any action, but DG DD all of a sudden transferred two SEAs Sh. Sunil Thapliyal, Sh. Rajesh Tewatia, and One EA Sh. Om Prakash and attached them with E.in.C.(DD) for further posting. This has happened for the first time. An order was issued on 21/7/2014 and was uploaded on DG DD Website at following link at around 07:30 PM.

As was obvious, Central Office swung into action and registered our strong Resentment. On 22/7/14 since morning, President was pursuing the matter at the level of DG DD, Principle Advisor (PA), PB and CEO. A strong letter was delivered to DG DD at around 11:30

At 12:30 hrs President was called by DG DD. In the meeting President explained the sensitivity of the issue keeping in view the transmission of Common Wealth Games. On tactical persuasion, DG DD agreed to withdraw the order and today the withdrawal order is issued.

Meanwhile CPC staff has started displaying black badges, without causing any disturbance in the transmission and working of the station in protest against the transfers. While maintaining that we are a responsible organization, but any victimization of our Members shall be countered and opposed in the strongest possible manner.

Once again matter is effectively pursued by Central and North Zone Office. We congratulate our CPC Unit for putting a united show of strength with the Central Office. We also convey our gratitude to our DG DD Sh. Tripurari Sharan, and Authorities for their positive response.

We convey our Resentment of issuance of orders without bothering their sensitivity and aftereffects. All is well if ends well. All we can say is **Unity wins Once Again.**

Central Office.
