

ARTEE TEAM HAD MEETING IN 7TH CPC

We had sent our submission in 7th CPC on Post Box. When we contacted 7th CPC to enquire about the issuance of acknowledgement, we were suggested by the concerned Madam to deliver another copy and the acknowledgment shall be issued immediately.

Today the 29/8/2014 President and Gen. Secy. visited 7th CPC and submitted another copy of our submission. A brief discussion also done in the meeting with the Director, who is handling entire Ministry of I &B, about our inclusion in the 7th CPC.

Initially he was apprehensive on how Employees working in a Corporation may be included in 7th CPC, but when everything about G.O.M. decision and subsequent Amendment in the Prasar Bharati Act by the Hon'ble Parliament was explained to him along with Documents, and after studying the documents he opined that as per Clause 2.3 of PB Amendment 2012, since you are entitled to get the all benefits admissible to Central Govt. Employees you will get all the benefits of 7 CPC.

Director asked some more documents which shall be sent to him very soon.

The persuasion shall continue. We have also submitted Copies of our Suggestions to Joint Secy(B-II), Hon'ble Ministry of I&B and Prasar Bharati.
