It is injustice with these employees that there is no platform available at present to raise their justified demands. It is imperative that these Employees joined after 05/10/2007 also have right to join the Association to protect their justified demands. The matter has been flaged several times in various Meetings.

All of these employees working under DOPT Guidelines so only an Associations Recognized as per CCS(RSA) Rules can represent these employees. In this scenario I request your high office to take decision of removing the cutoff date of 5th Oct 2007 for joining Associations.

I am optimistic that PB Management will not deprive these employees from their fundamental right.

Thanking you,

Yours faithfully,

Umesh Chandra
