

## **Update on One Cadre One Pay Issue**

As informed earlier, the file for Applicants was sent to the Department of Expenditure. Now the file is back and the Order for the Applicants may be issued any time.

As informed, the Proposal for Generalization has been prepared with Financial Implications of around 38.00 Crores (one time) and around 6 Crores (Annual) Increase in Salary .

The proposal has been approved by DG (AIR) and Prasar Bharati and shall be sent to the Hon'ble Ministry of I&B for further Approval.

We once again caution all of our Members against filing any Case on Individual basis. It can complicate the issue. Things are in right direction and don't fall in the trap of Money Mongers. And if a fresh case is essential for generalization of new EA case, ARTEE will file the case for its members, if it is needed at any point of time.

We also caution that Central Office shall not tolerate any efforts of collecting money from innocent Members by sensitizing them. Any such effort shall invite disciplinary action.

**Central Office**
