

Update on Flood Situation in AIR and DDK Srinagar

Central Office is paying serious attention for the hardship and safety of our Staff in DDK SriNagar (J&K). President spoke to Sh. N.A.Khan E.in.C.(DD), Madam Vijay Laxmi Chabra and Sh. Jawhar Sircar, CEO, Prasar Bharati. All Officers responded positively and updated about actions being taken. Sh. F. Shereyar, DG (AIR) also handling the Situation.

Yesterday (07-08-2014), Midnight President received a forwarded Message from CEO through which he instructed Authorities to setup Control Room in both the Directorates : DG AIR & DD : Many are ringing up & sending mails all the time, though must know what steps we are taking. Pl. setup Control Room in AIR & DD HQS. to keep contacting Home Ministry Control Room + to assure staff. Convert Night Duty into Control + to be in touch with Srinagar + Jammu. It's a good gesture. DG & E.in.C. should go to AIR and DD Hqs. for this and tell me by midnight. OK ? .Jawhar Sircar

Central Office is keeping close watch and thankful to the Management for immediate positive response.

Central Office.
