Subject : Delay in constituting Screening Committee and Conducting DPC for ACP as per CAT  
PATNA verdict – Our suggestions Regarding.

Respected Sir,

With regards, while conveying our thanks for starting exercise for data collection from Zones for ACP PATNA we want to remind that similar letter was issued way back in Nov'2014 also.

At the outset ACP has to be implemented for all eligible EA, SEA and AEs. But at present Directorate already having data of applicants in respect of few applicants with all clearances. This data was collected on the instructions of Hon'ble Ministry of I & B.

Also Data of AEs is available in Directorate itself. So we suggest that Directorate can start the process with data available with it and the process can progress as the data becomes ready for AEs. As employees are agitated for delay, beginning of process will spread a feeling of some solace that work has started.

For Other Cadres like SEAs and EAs DG(AIR) can delegate the powers to respective zone and in place of sending data to DG(AIR) they can conduct DPC and send the proposal for Approval to DG(AIR) as respective zones are the Appointing Authority for EAs and Cadre Controlling Authority for SEAs. It will save valuable time and work of implementation will be done with optimum results.

So we request you to start and expedite the process.

Thanking  
Yours faithfully,

  
Umesh Chandra, 06/7/15  
President, ARTEE
