ARTEE North Zone gave a Notice for Dharna to thrust upon addressing some employee related grievances on 31.03.2015

Today (30.03.2015) a meeting held in the O/o ADG (E), North Zone to resolve the issue amicably.

The official side discussed all the points raised and assured to solve all the pending issues positively and as quickly as possible.

This became possible only with the power of Unity. This development establishes many things. We congratulate Comrades of North Zone. It also reiterates the importance and need of Unity.
