

Hats off to Allahabadi's and ARTEEians

On behalf of Central Office, I wholeheartedly convey my thanks & express my gratitude to Sh. Jay Ram Singh, Sh. K.K. Varshney, Sh. Ramnesh Maurya, Sh. Amrit Lal Saroj and all other dedicated ARTEE members who worked day and night to make the 17th National Convention, Allahabad a Grand Success.

Contribution of a 12 Member Team from Kerala and specially the Team from South Zone is appreciable. Members from Lucknow also assisted the Organizers.

It was a nicely arranged one day Convention. All the bylaw Amendments and other Resolutions about ACP Patna, Tech vs LA Notional Fixation, Tech(4K), Recovery 25/02/1999 etc were passed unanimously by the House. It is matter of satisfaction that not even a single Delegate opposed any Resolution whatsoever. Assurance given by Member (P) about 7th CPC was also important.

ARTEEians have once again proved that they can meet to the challenges & prove the worth. Overall it was a memorable experience to cherish for life time. Many members utilized the opportunity to take a holy dip in Sangam. Very soon we shall publish Resolutions passed and photos of the Convention.
