

Meeting of Cadre Review under the Chairmanship of Member (P) on 14.09.15.

A Meeting on Cadre Review under the Chairmanship of Member (P) was held in Prasar Bharati Secretariat on 14.09.15.

The EPM Cell of DG (AIR) gave a Power Point Presentation on the Cadre Review.

Member (P) asked the justification of 75 numbers of ADG (E) posts from I.B.E.S. Officers.

ARTEE expressed its resentment on subverting the Recommendations of Cadre Review Committee by the Review Committee headed by Sh. Shyamal Sarkar, in case of Diploma AEs. In Cadre Review Committee Recommendations, the promotional Channel was opened up to the level of Grade Pay 7600 ,but by the Review Committee it is curtailed down to the level of Rs. 5400 PB-III. President ARTEE informed that in the some department Diploma holders are being allowed to get the grade pay of up to Rs. 7600/-.

(1). Sr. Broadcast Engineer:

In Sr. Broadcast Engineer, at the Initialization Stage 50% through LDCE and 50% through Sr. Cum Fitness quota is proposed. We explained the practical situation that in three Zones i.e. East, West and South there are EAs who are completed more number of service in Comparison to SEAs two other Zones. If Examination is proposed a SEA with less number of services will become Sr. Broadcast Engineer through Sr. Cum Fitness quota and an EA with more number of service have to face LDCE. This is injustice.

It was submitted that in Initialization Stage Sr. Broadcast Engineer should be filled by 100% Sr. Cum Fitness quota from eligible SEAs and EAs.

Member (P) instructed to give the Resentments in writing. It will be submitted in a day or two.

Prasar Bharati is planning to place Cadre Review Reports in coming Meeting of Prasar Bharati Board for its approval.
