

Caution About Helper's ACP Case

Central Office is receiving information that, some people are calling Helpers around the country and prompting them to file separate cases for ACP to fulfill their vested interests. We want to inform that ARTEE have filed Case for all eligible Helpers and won the case. Filing more number of cases will make implementation more difficult in future.

At present, DG Doordarshan has filed a Review Petition in the Case 1940/2012, filed by Sh. RishiRaj and Others for whom fixation is done but no arrears are paid due this Review Petition. Until this petition is decided no progress can be made in the case filed by ARTEE or whatsoever.

All CWC Members are advised to inform all Helpers to save them from falling into trap of such people who are trying to instigate them for their vested interests.
