

Torrential Rains in Chennai

We are concerned about safety and Security of our Staff Members who are continuously performing their duties in stations since their relievers are unable to reach duty places.

I sent a mail day before yesterday to all Authorities and I got a response also from our respected CEO. The transmission is uninterrupted & ADG(E) SZ with other officers visited the stations. Hats off to the spirit of staff Members.

President spoke to Sh. Hari Krishnan Nair and inquired about the safety of staff Members. He told everybody is safe & doing the duty.

DDK & Zonal office is badly affected due to situated in low lying Areas. We are proud of you.

If any body wants to know any update, Sh. Hari Krishnan Nair, AGS(AIR) SZ may be contacted at 09445093344.

Below is the mail sent to CEO and reply received.

Request for taking steps to secure lives of Staff working in AIR and DD establishments of Areas effected by Torrential Rains.

Respected Sir,

We are proud of staff working in Torrential Rains affected Areas of Tamil Nadu particularly in Chennai for doing their doing uninterruptedly Some of the staff Members are doing their continuously and are unable to go home since their relievers are not able to reach the duty places. Hats off to the Staff Members for their dedication.

Although I am busy in fulfilling my family commitment but on behalf of this Association I express our concern for the safety and security of staff in Rain Effected Areas. I know that office under your able stewardship must have been already taking steps, I request you to ensure that adequate steps are taken to prevent any loss.

Regards.
