

Submission of Common Representation of 10 Associations to 7th CPC.

Central Office is aware about Member's concern about inclusion in 7th CPC. ARTEE took an initiative to generate consensus to submit a common memorandum to 7th CPC on behalf of All Recognized Associations.

Central Office has also received information that there are some efforts going on to mislead Members about submission of ARTEE's Memorandum to 7th CPC. It is informed that ARTEE submitted its Memorandum on 29th August 2014. Today (24.04.2015) we inquired in 7th CPC about issuance of Acknowledgement. It was informed by the concerned Office that, due to some problem in the software system acknowledgement could not be generated for many Associations, but the officer acknowledged from the records that, our Representation is received and being considered along with other Memorandums.
