

Generalization of Tech Pay Parity with Lighting Assistants in 5000-8000 scale on Notional Basis

Today (06.05.2015), the issue of Generalization of Technician Pay Parity with Lighting Assistants in the scale of RS. 5000-8000 on Notional Basis, discussed with ADG (A), DDG (A), Director (A) and DDA (P) in DG(AIR) . All the officers agreed that a proposal for the same will be prepared in continuation of the earlier proposal and will be sent to Prasar Bharati for further action.

We also express our concern, not to file any other case anywhere, as it will complicate the issue further. ARTEE has already filed an OA 4424/2014 for all similarly situated Technician /Senior Technician and pursuing the issue on this basis.
