

RSA Forms Annexure I and II

As you are aware, the Re Verification process for Recognition of Associations as per CCS (RSA) Rules 1993 has started. We all know that ARTEE is the largest and the most powerful Association of AIR and DD since decades.

ARTEE has so many distinctions in its feather like Bonus to all Government Departments apart from Railways and Telecom, Implementation of Court order in Rajashekhran Case, Central Government Employee Status, Implementation of 6th and 7th Pay Commission. In last five years we have solved many core issues like EA(5k), Tech(4K), Tech vs LA Parity issue, NFU to AEs in 5400 on completion of 4 years of service, Promotion from AE to ADE and many other issues .Now we call all of you to make ARTEE more stronger to take up the unresolved issues with more power and strength.

Please note that for new members joining ARTEE, both Annexure I and II are required. For Continuation of RSA deduction towards ARTEE only Annexure II is required.
