Subject : Irrational Postings of Newly recruited Prasar Bharati Employees in Major Centres and practical future difficulties regarding.

Respected Sir,

With regards, through this communication, on behalf of Govt. Employees joined upto 05/10/2007 and working in Prasar Bharati on deemed deputation, we want to express our sincere concern on Prasar Bharati's Policy of posting all new recruits in Major Kendra. However we welcome infusion of fresh blood in the department but at the same time we want to bring some of the fallouts and practical difficulties because of these postings :

[1]. This is to bring in your kind Attention that whenever young blood is infused they are sent to serve far remote stations where staff scarcity is there. So far in past all new recruits were posted following a rational formula in Major Kendras, in LPTs and other Kendras depending upon requirement.

[2]. We all know that in Major Kendra work is important. For VVIP OBs, Independence day, Republic day coverage etc expert and experienced staff is required. As we all know Doordarshan recently launched "DD Kisan" channel, This is prestigious project, an initiative of the Hon'ble Prime Minister. New recruitees will require some time to gain such expertise. For example DDK SriNagar, DDK SriNagar , CPC Delhi are flooded with new recruit EAs who belong to other parts of North Zone. After completion of one year tenure they all will be entitled to get posting of their choices. In that case whichever Major Kendra they opt, the existing experienced and expert staff will become seniors and they all will be transferred.

Whole Prasar Bharati machinery has been working overtime to make it a Successful, after a gap of one year how it may be left for newly joined staff to run.

.... contd.

The same is the situation in stations like DDK DELHI, CPC Delhi, DTH Earth Station Todapur & other major Kendras. They will be facing similar kind of operational problems. As a result there will be mass transfers and huge expenditure of Transfer TA/DA will have to be born by ex chequer. We don't think cash trap Prasar Bharati is in any position of bear such expenditure.

We request that there should be some rationalization in a justified ratio for posting these Prasar Bharati Employees to avoid above mentioned practical problems.

Thanking You,

Yours faithfully,
