Respected Sh. Singh,

Hope this letter of mine will find you in good health and cheer. As you are aware the implementation of some of our core issues like ACP PATNA, One Cadre One Pay, Tech vs LA Pay Parity, Helper ACP etc is in final phase. ARTEE has been fighting for these causes from more than a decades.

In our department one has to fight for his legitimate rights. The ACP declared in 1999 is still looks a distant thing even after fighting for more than a decades. ACP as per verdict of PATNA is an issue which can give some relief to Sub ordinate Engg. EA, SEA and AEs who are deprived from their fundamental right of getting promotions and stagnating since decades.

The same hierarchy is available and implemented in our department itself in the case of Diploma Holder Jr. Engineers of Civil and Construction Wing. This is also followed in CPWD and many other Engineering departments.

It is pertinent to mention that in past Gen. Secy. of your Association wrote a letter which was against the spirit of the ACP PATNA and also against intra Association relations, this letter was written at the time when All Associations were fighting for the common cause under the banner of NFADE mainly lead by ARTEE. It is not out of context to say that ARTEE lead the NFADE movement, took the fight to its logical conclusion and later faced consequences like de recognition and victimization. It is a sigh of relief that none of your office bearer was victimized.

I am sure that, we shall require to fight for common causes in future and it is very essential that we support each other's cause. It will be a pleasant gesture if a letter is written by your august Association in support of ACP. This will not only boost our Members and also it will nullify unpleasantness created by earlier written letter by your Association.

This Association seek active and wholehearted support of your Association in implementation of ACP as per CAT Verdict Patna which has attain finality by all means.

Hoping to hear from you on positive node.

Yours faithfully,

Umesh Chandra,
President, ARTEE
