Respected Sir,

We have been mentioning this problem of funds Crisis in Stations falling Under DMC Burdwan and DMC Bhagalpur. These are around 30 stations which are facing this acute funds shortage in Salary and Other Heads related to payment of Employees. Burdwan is having Pendency of Rs. 44 Lacs and Bhagalpur around 30 Lakhs.

The issue was discussed with Sh. Chobey in the Month of Feb and he assured that Funds will be disbursed since he is not having any shortage of funds but despite repeated requests and followup the funds could not be disbursed till today and today is last day of this Financial Year.

I most humbly request you to issue instructions to get the funds disbursed to avert any crisis.

Thanks and regards

Dear Shri Chandra,

I have mentioned repeatedly to you and to your colleagues that Ministry has not returned Rs 282 crores that we had to spend to fill-in gap for salaries. Otherwise you would not have received salaries in the last two years. To add to this, Ministry and Department of Expenditure have cut

our budget again this year and we have run short of Rs 146 crores ( which may go up), which again we have just paid from our own revenue funds which are meant for content and payment of casuals, operational expenses like electricity bills, etc.

Please try to understand: PB is moving from one crisis to another and there is a limit to how far we can go before we go bankrupt.

I am marking a copy of this to Chairman, Secretary, AS and PS to MoS to draw their personal attention to the on-going crisis.
