Hon'ble Sir,

With most affectionate regards, we wish to inform you about ongoing Agitation on issues pertaining to Sub Ordinate Engineering Employees of Akashvani and Doordarshan from the cadres of Helper to Assistant Engineers.

It is pertinent to mention that Akashvani and Doordarshan are two great institutions, which contributed significantly to the cultural and economic upliftment of our country. But Employees of these two institutions are feeling deprived and betrayed.

Some of these issues are decades old and has reached finality up to the level of Hon'ble Supreme Court. Employees are not only retiring on same post even after serving the department for three decades, but also facing huge recoveries at the time of Retirement due to injustice. Our Central body has launched a peaceful Agitation throughout the country.

We humbly expect your valuable support for our issued on urgent basis. We humbly request you to forward our Memorandum with your positive recommendations to Sh. Arun Jaitley, Hon'ble Minister, Information & Broadcasting, 5th Floor, Shastri Bhawan , New Delhi – 110001.

Thanking you in Anticipation,
