

## Answers of Queries on EA(5K) Implementation

We have been receiving queries from EA(5K)s who are Members of ARTEE Members about problems in implementation of DG(AIR) order. We want to make it clear that only for clearing such confusions Central Office made speedy and sincere efforts to get the corrigendum issued at the earliest.

The Corrigendum issued now absolutely clears everything. Members who are unable to get it implemented are unable to explain it to their station heads.

Please note the following:

(1). No list of Members is asked ever asked at any stage by DG(AIR) or submitted or will be submitted, so there is no question in checking/verifying the name in the list.

(2). The corrigendum dated 03.11.2015 states this clearly. Please read it carefully:

Offices of AIR/DDn.

2. All Zonal Heads of AIR & DDn with the directions to revise the pay of the concerned Engineering Assistants after DDOs confirm from records that they are members of ARTEE. A copy of the order and a consolidated list of EAs for whom the order has been implemented may also be sent to this Directorate.

So DDO will confirm from record of RSA Subscription about the Membership of ARTEE and will send the compliance to the Zonal Head who will subsequently send it to Directorate.

We are unable to understand where the scope of any sort of confusion or lack of clarity. In DDK Delhi the fixation work is being done and we are uploading the fixation order of Sh. Harbir Singh who is one of the applicants of OA 4012/2014.

If someone is still not able to convince his station head it is his failure not ours as the corrigendum is one of the most clear order issued by DG(AIR) in the recent times.
