Delhi

O/o ADG(E), NZ has issued order for Recovery and Re Fixation of 3rd MACP granted to around 270 Sr.Techs of North Zone on the basis of DG (AIR) Letter No. 14/07/2015-SIV(A) dated 18.03.2015. The order issued by North Zone may be followed by Other Zones and Sr.Techs from throughout the country have been worried in this matter.

This order for Recovery and Re Fixation of 3rd MACP was based on the Clarification issued by DOPT by reverting the decision of Railway Board for Residency Period for 3rd MACP. As per our information the same is also stayed. After taking legal opinion Central Executive decided to file an OA to Challenge the impugned order and to obtain the stay.

We are pleased to inform our beloved members that today i.e. on 14.08.2015, in the hearing of OA 3035/2015, Hon'ble CAT Delhi stayed the Recovery and asked Government to file the Reply till next date which will be known by today evening.

Now the issue is subjudice and linked with Railway Employees. We are committed to fight it out. In today's hearing President, Sh. Anup Katiyar, Secy.(Sr.Tech/Tech) and Sh. Surendra Mohan Sharma, Sr.Tech, DDK Delhi were present.
