

## **Update on Recovery Due to 25.2.1999 Scales as One Upgradation for MACP**

The ARTEE Central office is working on this issue with full commitment. An urgent mail was sent to CEO, Prasar Bharati, about our proposed Agitation and demands. After this, CEO, Prasar Bharati, today (05.01.2015) called a Meeting of Admin people to get an update on the issue. In the evening CEO, Prasar Bharati, called the President ARTEE and President, PSA.

All possible links in DOPT are being explored.

ARTEE President today had a meeting with Office bearers BMS also. Even though the BMS top brass was very busy in handling the proposed strike in Coal India Ltd from today night onwards, they discussed the issue and its background in detail. They assured all possible help including approaching the Hon'ble Minister of State, I&B, Sh. Rajyavardhan Singh Rathore and in the proposed Agitation. A Meeting with the minister is likely to take place in the coming days.

Central Office is planning to have a Gate Meeting very soon and if no respite seen, The Agitation shall be further strengthened .
