

**Grant of pre revised scale of Rs. 5000-8000 to
Technicians in Pay Parity with Lighting Assistants
w.e.f. 01.01.1996**

Congratulations

As informed earlier, the file of OA 1861/2014 filed by Sh. Ashok Yadav and 24 others for grant of pre revised scale of Rs. 5000-8000 to Technicians in Pay Parity with Lighting Assistants w.e.f. 01.01.1996, with Notional Fixation was sent to Department of Legal Affairs (DOLA) by Hon'ble Ministry of I & B for their opinion.

ARTEE has also filed OA 4424/2014 for grant of same benefit to all Technicians and Department issued a speaking order that our case will be considered as per the outcome in Ashok Yadav Case. We filed MA for extending the benefit since the verdict in Ashok Yadav Case is declared. Government is yet to file a reply in our MA.

As per information received, (subjected to confirmation), Department of Legal Affairs gave its opinion that the benefit should be extended to all similarly placed Technicians/Sr.Technicians. This is a welcome development. More information is awaited and persuasion of matter shall continue further.

While some people are pursuing cause of Individuals we are committed to take up cause of all Tech and Sr.Tech.
