

Resolution Adopted in Central Executive Meeting dated 13.04.2016

[3]. Meeting in Hyderabad and Participation by some ex-leaders of ARTEE:

House discussed the scenario after the Meeting in Hyderabad. It is unfortunate that some ex-leaders also participated in the meeting and Anti Association statements were delivered from stage.

House viewed this meeting as an effort to run an office parallel to Central Office, which is against the Unity of the Association.

It is also informed to the House that Sh. Manoj Kr. Gupta misused the stage for election and political campaigning. He even held a separate meeting of ARTEE Members and delivered provoking statements against Central Office.

We fully honor and respect the right of Hon'ble Member of Parliament to address any gathering anywhere.

When a majority of participants and main speakers of the status of ex-President and ex-Gen.Secy, ex-VP(AIR) etc are of ARTEE, it can not be said that it was not a meeting of ARTEE. The dias was shared by Members of other Association also.

The House also viewed the huge expenditure on meeting and as reported it was collected from the Members of ARTEE. At one side Accounts are blocked, there is no money available for welfare work and on other side such huge money is spent to spread confusion among Members.

After discussion, the House decided to issue a general warning to all former and present leaders through website for this participation and not to participate any such meetings in future and passed the following Resolution,

“Central Executive resolved to caution all ex- leaders for their Participation in such meetings, as such meetings are detrimental to the collecting bargaining power of the Association and henceforth that amount against the Unity and Solidarity of Association. It is also an effort to weaken the Association.”

House also resolved to caution all for this Anti Association Activity.

**Rajesh Kr. Gautam,
Addl. Gen.Secy., ARTEE**
