

DG-DD issued order for Increment of **01.01.1986**

At the time of Fixation of 4th Pay Commission, Pay was fixed after giving an increment. In DG DD some negative people taking advantage of changed accounting system of fixation, have been trying to create an issue out of nothing by asserting that this increment was given wrongly.

It would have caused huge recoveries. We took up this issue in the Meeting with DG DD on 27.09.16. DG DD agreed to set it right but still the Anti Employee Elements were trying to delay it. After the normalization of accounting system which was also done by the efforts of ARTEE, the issue is now settled. DG DD has issued order. This is done by the efforts of ARTEE Central Team.
