

Report on Discussions in Grievance Redressal Meeting on 30.05.16

The Meeting of Office Council of DG (AIR) was held with the changed name "GRIEVANCE REDRESSEL MEETING" in AIR Directorate on 30.05.16 due to Grade Pay restrictions for the representatives of Associations in Office Council.

From ARTEE following Points were discussed:

[1]. Grant of Grade Pay 5400 (PB-II) to AEs on Completion of 4 Years of Regular Service:

We pointed out this issue and demanded Generalization of this for all eligible AEs.

Management side assured that matter already taken up with Hon'ble MIB and it will be done as per instructions received.

[2]. MACP Recovery due to 25.02.1999:

We expressed resentment about recent efforts of Recovery from Retiring / Existing employees by some stations.

Official side reiterated its stand that MACP has to be granted over and above 25.02.1999 Scales by not treating this scales as an Upgradation.

[3]. Pathetic Conditions about Promotions in Sub Ordinate Engg. Cadres:

ARTEE raised the issue and expressed resentment on acute stagnation in Sub Ordinate Engg., Cadres from Helper to AEs.

350+ ADE posts and 473 AE post are lying vacant.

ARTEE submitted that EAs having GP of Rs. 4600 should be allowed to appear in SEA to AE examination subjected to the Approval of EA/SEA Merger issue in Rs. 4600 Grade Pay by Competent Authority.

It was not a meeting on Agenda and but we welcome that Grievance redressal meeting took place after a gap of two years. Minutes of Meeting are expected in three weeks as promised by Management.
