

Update on hearing in Ashwani Dagar Case & Prokash Chakraborty Cases, CS(OS) 111/2016 & 113/2016

The CS(OS) 111/2015 by Sh. Ashwani Dagar and 113/2015 by Sh. Prokash Chakraborty came up for hearing in Patiala House Court on 08.04.2016.

The Advocate of Plaintiff Sh. Sanath Kumar submitted the Resolution adopted by Central Executive on 01.04.2016 and recorded that they want Elections as per byelaws passed by General Body in Allahabad on 20.11.2015 and if respondents are ready they are willing to withdraw the suite.

Our Advocate submitted that we have already adopted the Resolution and we will abide with this.

Hon'ble Judge asked to settle the matter through negotiations and will come for hearing on 09.05.2016. The Order of the Court will be available in coming days.

At the same time, We think that when Central Office is doing sincere efforts for Reconciliation, it is the duty of all not to indulge in any kind of provocative act. How efforts will reach to logical conclusion when provocative acts like holding meetings with political speeches are being organized. Complaints are being filed in Police Stations. It will contribute in deteriorating the situation only.

But without prejudice we want to convey that our views are reflected in our Resolution and we are committed for that.

Central Office
