

MACP Recovery issue - Meeting with Joint Secy. (DoEXP)

In order to sort out the Recovery issue, ARTEE & PSA leadership met Madam Anne Mathew George, J.S.(Pers.) DoEXP. Me & R.Srinivisan met her with all the details.

Meeting was arranged by Sh.Pawan Kumar ji, BMS. Madam gave us a patient hearing & acknowledged that the issue is directly under her control. She also expressed concern when we informed that issue is causing huge Recoveries & it will ruin the future of 15000+ employees of around 27 Cadres. She assured Pawan ji & us to look into the matter positively. We handed over a complete dossier with all relevant documents & recent developments.

As we informed Hon'ble MIB asked Prasar Bharati to provide some information to reply the query of DoEXP. Prasar Bharati was delaying it. Then MIB sent a DO letter to Prasar Bharati. As per our info Prasar Bharati, has now sent the desired information and this has reached Hon'ble MIB. Now our efforts will be to send the information to DoEXP & make the follow-up there.

We are working on the issue with sense of urgency. But issue has been made complicated by negative elements. We assure that we will not leave any stone unturned to resolve the issue.
