Dear beloved ARTEE Members,

Through this message I want to appraise you about the recent developments in Delhi.

We all know that some staff Members including Sh.Anilkumar S. has been issued a charge sheet for Agitation on 08.09.16. We all know that ARTEE was not part of this Agitation and ARTEE was not consulted before launching this agitation. On the call of PSA President, our President also went there.

As per decision of Central Executive as on today, we are not part of NFADE also.

Since it has been ARTEE'S stand that we are against any victimization of employees, I went to discuss the issue with Members and other Associations on 24.10.16. I signed the Agitation letter which was served to Authorities. Later in Central Executive meeting of our Association, the issue was discussed in length and breadth and it is resolved that Member Sh. Anilkumar S, who has been issued charge sheet and his entire unit i.e. New BH Unit AIR New Delhi has already disowned not only the present central office, but also the whole CWC through Resolutions in April 2016. Sh. Anilkumar S also signed on the Resolution. The language of Resolution is also very insulting. This has never happened in the history of ARTEE.

In our Association, there were resentments with leadership in past also and even with the Central Office headed by Sh. Anilkumar S, but nobody ever did like this. In most objectionable move, these Resolutions were handed over to authorities also. It is very clear that such Resolution cannot be passed without the consent of Sh. Anilkumar S.

[Click here for the Resolution passed by NBH AIR Unit and signed by Sh. Anilkumar S..](#)

So in the meeting of Central Executive on 25.10.16, it was decided to ask Sh. Anilkumar S to at least reverse his decision and acknowledges that the present body including me, because I am also part of the present CWC, which he disowned.

Please see the communications send by President to Mr. Anilkumar.S

On 25-10-16 at 17.33 hr

Umesh C Sharma : Central Executive resolves to support the Agitation in case the Units disowned the present Central Office earlier reverse the decision of disowning. Resignations submitted by Sh. Bhan and 3 others are accepted. Umesh-Prez, ARTEE

But No response was received.

Again on 28-10-16 SMS Sent at 15:02 hrs.

When no response was received again as a last try, President sent him reminder message. I also talked to other Sr. Leaders who are known supporters of Sh. Anilkumar S.

Again on my request President sent him following messages.

Dear Sh. Anilkumar S.,

It has been more than two days I have requested you to reverse the decision of disowning present body in whatever context it was. As a result present body is nonexistent for you. On behalf of Central Executive once again I remind you for the same. Umesh-Prez, ARTEE

[10/25, 19:05] Umesh C Sharma: (1). Central Executive resolves to support the Agitation in case the Units disowned present body earlier reverse the decision of disowning. (2).Resignations submitted by Sh. Bhan & 3 others are accepted.

On point (1) act swiftly probably in next two days failing we may review our decision.

Continuous abuse to leadership by your supporters is the biggest obstacle in creating congenial atmosphere. If this continues it will be counterproductive.

After two days reminder messages were sent to him. Still no response received. So it clear that Sh. Anilkumar S is not agreeing even to say that present body is existing for him.

[10/28, 15:01] Umesh C Sharma: Dear Sh. Anilkumar S.,

It is very surprising that these people want ARTEE's support but they don't have least respect for the present Central Office and ARTEE.

Finding no option, In the meeting of Central Executive Meeting held on 27.10.16, it is decided to review the Agitation Notice served on 24.10.2016 for the following reasons:

[1]. Among the four Staff Members to whom Charge sheet issued, Sh. Anilkumar S. is the only Member of our Association and he has disowned present Central Office, and even now he is not ready reverse his action disowning the present Central Office .

[2]. *There has been no discussion with ARTEE before launching such an exhaustive Country wide Agitation Programme and no preparation whatsoever is done for the Agitation.*

[3]. *In the meeting of all Associations held on 19th Oct '16 was it was conveyed that draft of letter will be sent to all Associations but it was not sent to ARTEE.*

Although, we have decided to review it but as a matter of concern being the responsible Employee welfare Association and understanding our responsibility against any victimization of employees, ARTEE will extend its Moral Support to the Agitation.

Only leaders will Attend the first Step i.e. Gate Meeting in Delhi on 7th November 2016 and then the situation will be reviewed.

I also want to tell our Members that when I was trying my best to convince President and other leaders to find out an amicable solution, without even intimating me agitation letter was uploaded in Social Media and Circulated through Mail also. I convey my displeasure that without my consent my letter is circulated and it is uploaded on website of Other Association.

In the end, I want to convey that I am firmly standing with Present Central Office and Present Central Office is committed to work for the welfare of our Members. No body is above the Association, No body is above the discipline of the Association. It is very unfortunate that so called sons who call ARTEE as their Mother are betraying ARTEE continuously.

Leaders will come and leaders will go, but ARTEE is an Asset of Members. In past also ARTEE has faced turmoils and always came out stronger. Whosoever left ARTEE has lost in the dark. This time also we will face it and will come out stronger and powerful.

For me, ARTEE is Supreme

LONG LIVE ARTEE
