

29.02.2016 Update about "fast-unto-death" agitation by Sh.S.K.Singh,AE,DDK Lucknow

Throughout the day (29.02.2016) we we remain busy in handling the situation of "**fast-unto-death**" agitation by Sh. S.K.Singh. We went to meet DG(AIR), who directed us to meet DDG(A) first. A One and half hour meeting was held with DDD(A), Dir(A) and DDA(A).

Almost all questions of Admin were handled efficiently and ultimately ADMIN had no reply and DDG(A) conveyed that we have written letter to MIB about Scales to be given. After getting the reply we shall act accordingly. We countered that it is a futile and time killing exercise only to delay the implimentation.

Then we met DG(AIR) after this Meeting. DG(AIR) discussed matters including financial implications. DG(AIR) has conveyed that tomorrow he shall meet AS(B) in Ministry and pursue the request to give reply to settle the issue.

Our efforts are ON but one thing We want to clear that nothing can be precious then a LIFE. People who are not thinking on this, We must say that they are working against the humanity. Singh Sahab is already a Hero, but what about the condition of his wife and other members of his family. Can we be so selfish and can we afford to play with some one's life. How much selfish we can be ? ACP PATNA has never been a simple issue and it may take time to settle. So instead of sending heroic messages Please send Appeals to Sh. S.K.Singh to defer his agitation.
