

## **Tech(4k) Case by ARTEE Disposed off by**

### **Hon'ble CAT**

The MA 1891/2016 in OA 1575/2015 came up for hearing in CAT Delhi today (01.06.16) at around 16:00 hrs.

The Advocate of Hon'ble MIB Sh. D.S.Mahendru and Standing Council of Prasar Bharai Sh. Rajiv Sharma informed the Court that they have sent the proposal for implementation to DoEXP after approval of DoLA. Hon'ble Court disposed off the case with a direction to implement it in Six Weeks time. Today's hearing was a result of hectic work in filing MA and bringing it on listing in just three days.

Last week when other Association's case was disposed off, ARTEE Members had a fear in mind that our case may lag behind in implementation, but we assured everyone that when MIB has already sent proposal for us to DoEXP there is nothing to fear.

Any way one of the prime responsibility of a leader is always to keep the hopes alive in the heart of Members and today's disposal is done in that spirit.

All ARTEE Members should feel proud that we initiated this issue when no body raised it in the last 16 years.

Let us work together to get it implemented at the earliest.
