

## **Pay Commission Implementation for Prasar Bharati Employees**

It has been a matter of concern for us that benefit of 7th CPC is not extended to Prasar Bharati Employees joined after 05.10.2007. We have been pursuing this at various levels. Prasar Bharati wrote a letter to provide funds to implement it for PB Employees. When we pursued in Hon'ble MIB they acknowledged that they received a letter from Prasar Bharati.

It is being delayed due to funding issue only. It is also a fact that there is a procedure to grant 7th CPC and other facilities for the employees of any autonomous corporation.

It is also conveyed that as on today 7th CPC is not implemented for employees of any Autonomous corporation. We are trying our best that these employees get it implemented for them as early as possible. We are optimistic that it will be implemented soon.
