

## **Normalizing Domain and Hosting of ARTEE Website**

**ARTEE Website was down since 25th Jan 2016 due to Non Payment of Domain and hosting Charges, which was due since October 2015, and some people were busy in interpreting things for their own Political Interest. Members were surprised by this attitude even at the cost of Members Welfare.**

**I am thankful for lot of support and concern expressed by our Senior Leaders and Members. In such occasions we have to think above personal concerns. Today I have decided that enough is enough. So I have paid amount of Rs. 6475.00 from my own Debit Card as a Loan to my beloved Organization. Services of Domain [www.arteeindia.org](http://www.arteeindia.org) are Normalized.**

**This is a message to all destructive forces that they can not obstruct Welfare Work. They can not gain any sympathy by such a Anti Welfare Work.**

**It is pertinent to mention that in the case of [www.nfade.org](http://www.nfade.org) also same thing happened. The Payment was not done on time and the services were brought down by the service provider and the Domain and the entire pages in the web site also lost.**

**Long Live ARTEE and Long Live the spirit of Unity and Solidarity.**

President**
