

Tech(4K) Generalization File Sent to Department of Expenditure

Today (02.05.2016) the file for Generalization of OA 1575/2015 filed by ARTEE and few other OAs sent to the Department of Expenditure from Hon'ble Ministry of I & B.

Things are on right track, but we appeal our Tech(4K) members, don't start getting panick just after one or two weeks. Department of Expenditure may ask some more information through any query. Please note that we are ahead of our estimated time.
