

## **Issue of Payment of Honorarium to AIR and DD Staff**

**We are aware that the honorarium which was being paid every year to AIR and DD Staff is stopped due to poor financial condition.**

**Today, President received a mail from CEO which revealed that on 31.03.2016 a proposal to pay honorarium to around 150 selective officers was prepared.**

**President responded that honorarium should be given without any discrimination.**
