

List of EAs(5K) Who Have Not Received Arrears

About our exercise on collection of data of Arrears not paid among EA(5K) out of 434 candidates, Sh. Chandrashekhar Azad informed that he has received data of only around 70 EAs, while as per our information Arrears is paid only to 20% of EA(5K)s. More than 250 EAs are still waiting for Arrears.

On hearing on contempt on 18.04.2016, it is possible that Hon'ble CAT may consider to dispose the contempt petition after paying consequential benefit (Arrears) to the list submitted by us.

Please note that fund position in Prasar Bharati is very pathetic. The left out people have to fight themselves and should not blame us for the delay in payment of Arrears if they fails to give us details on time. So the remaining EAs are hereby instructed to send the data immediately to the e-mail id csa.patna@gmail.com with a copy to umsharma01@gmail.com

We also want to inform once again that we have not paid even a single paise to our Advocate for this contempt due to the trouble created by our Ex Treasurer and now our funds are blocked, hence We are not in a position to do anything in this matter.

We appeal all members to contribute to pay the Advocate for the contempt on 18.04.2016 Otherwise please dont blame us for disposing the contempt.
