

ARTEE's Concern on Fund Shortage for Arrears, Allowances etc.

We have been working regularly on the issue of fund shortage for payment of arrears for EA (5K)/ Now EA(6.5K) and for other allowances like children education allowance etc.

In Contempt CP 227/2015 in OA 4012/2014 also, the Hon'ble CAT Delhi asked the department to submit compliance report.

On our vigorous persuasion, DG DD has sent a format and a communication to Stations to send the fund requirement for all types of allowances. All concerned stations of DD, where balance of payment is pending are advised to send the requisite information to DG DD at the earliest with a scanned copy to ARTEE Central Office on the mail id artee.president@gmail.com.

We shall try our best to get the fund released as quickly as possible.
