

Central Office View about Election Notification

We have come to know that some people due to their vested interests are trying to spread the confusion about declaration of Elections.

A deliberate effort is being made as if we are delaying Elections. Importantly this is being done by people who themselves are responsible for the delay.

Please note that Elections were declared on 29.06.2015 well before the expiry of term as per the byelaws. The relevant question is

Who Approached Court of Law?

It is not We....

Who prayed Hon'ble Court for putting stay on Elections?

Again it is not We....

We have obtained Legal Opinion that Elections cannot be declared during pendency of this Suite filed by Sh. Ashwani Dagar, since the stay is intact. Either this suite has to be withdrawn or to be disposed off.

We have given undertaking on 09.05.16 that we are ready to declare Election after the Renewal of Registration, Approval of byelaws and preparation of Voter List.

But Plaintiff is changing stand on every date. On last date they demanded appointment of Judicial Observer for Elections. As per our information Judicial Observer for an Election of about four our Months period may cost an amount to the tune of Rs. 10,00,000 or more.

Once again Please note that Elections Cannot be declared during the pendency of Civil suite 111/2015 filed by Sh. Ashwani Dagar as the stay in intact. Declaring Election can invite contempt of Court. Otherwise, We are ready to declare Election in a period of two to three months on completion of above mentioned formalities.

Hence our Members are requested not to fall into the ill intended propaganda with malafied intentions by a handful of people that We are delaying the Elections. The delay is only due to the stay imposed in the Civil Suite filed against ARTEE.
