

## **Challenging Speaking Order Issued in ACP PATNA Case in Hon'ble High Court**

**We express our satisfaction on normalizing of one of our Accounts**

We were optimistic for this and envisaged that it will take place within a short time. So we started working on the issues which were lagging due to shortage of funds.

**Challenging Speaking order in ACP PATNA Case in Hon'ble High Court, Delhi**

Last week, we had a meeting with Advocate Sh. Manish Bishnoi for the same and discussed the issue in detail. It is pertinent to mention that a similar meeting took place in January 2016 also along with Senior Members of P&D Unit Sh. A. K. Bhatnagar, Sh. Sunil Thapliyal, Sh. S.C. Jain etc, but we could not proceed due to shortage of funds.

The attitude of Ex Treasurer was not only non cooperative but also against the issues. It was done purposefully to stop the welfare work by Central Office.

Now we had preliminary discussions with Sh. Bishnoi and we have also decided to hire the service of eminent Sr. Advocate Sh. Jayant Bhushan ji. We are aware that his charges are very high. As per information available he is charging Rs. 2,20,000 per hearing for High Court. We will negotiate, but no cost is dearer for ACP PATNA.

This development has proved that the stand of Ex Treasurer which was supported by some vested interests was wrong

**Writ Petition is being prepared and it will be filed in the beginning of June and likely to be listed in July'16 after vacations in Hon'ble High Court.**
