

**Hearing in Review Petition 148/2015 in OA 1861/2014  
for grant of 5000-8000 scale (pre revised) and Grade  
Pay Rs. 4200/- w.e.f. 01.01.1996**

As we are all aware, as per verdict in OA.1861/2014, the pre revised scale of Ra.5000-8000 was granted on Notional Basis only. After that a Review Application for Arrears also filed . Pleadings in RA were completed on last hearing and judgment was reserved.

Today (15.02.16) the verdict had to be delivered. As per information RA has been rejected. Verdict to grant it notionally stands. The General Body of our Association held in Allahabad also passed a Resolution that first we should make efforts to get it implemented on Notional Basis and should continue the fight to get it with Arrears.

Hearing of MA 2096/2015 in OA 4424/2014 is listed on 29th March 2016 along with OA 1858/2015 filed by G.M.Tyagi and Ors. Since it could not be clubbed with the case of Sh. Ashok Yadav i.e. OA 1861/2014.

Now we have to wait till 29th Match 2016 for the verdict in MA filed by ARTEE.
